

Never Underestimate Your Ability to Make a Difference!

Volunteer!

Our Goal

Prosper Placer is both a support system to help families move out of poverty as well as a community improvement process.

Our mission is to measurably reduce poverty at its holistic core.

Families are matched with 2 to 3 volunteer "Allies" who commit to helping them along the path to self-sufficiency. Allies do not give money. They share their knowledge, skills, and connection—their social capital. **Come to an informational meeting or call Katja Pollmann at (916) 293-1773 or apply online if you are ready to become an Ally <https://form.jotform.com/70386394470159>**
